

The Interfaith Advisory Committee of
THE CENTER FOR JUDAIC & MIDDLE EASTERN STUDIES

UConn, Stamford

Invites you to an Interfaith Seminar on Science and Religion

Thursday, April 12, 2007

12 noon—2 p.m.

with Renowned Guest Speaker

Dr. Robert Pollack

Columbia University

**Intelligent Design and the Problem of Meaning
in the Natural World**

Robert Pollack is Professor of Biological Sciences and Director of the Earth Institute's Center for the Study of Science and Religion at Columbia University. He is also Professor of Science and Religion at Union Theological Seminary. He is the author of more than a hundred research papers in biology as well as in the areas of science and religion and has authored and edited numerous books, among them *Signs of Life: The Language and Meanings of DNA* (recipient of the Lionel Trilling Award), *The Missing Moment: How the Unconscious Shapes Modern Science*, and *The Faith of Biology and the Biology of Faith* (which was the inaugural volume of Columbia University Press series of books on Science and Religion).

Moderator of Panel Discussion:

The Rev. Dr. Blaine Edele

Pastor of Union Memorial Church

Panelists TBD

Free Kosher Lunch at 12 noon

All Must RSVP by April 5, 2007 at 251-9525 or email: stamfordcjmes@uconn.edu
